Housing Scholarship Application for Yiddish Summer Weimar 2010

Name (Last, First):

Housing Scholarships from the other music e.V.

Scholarships from the other music e.V. are to help participants with financial need take part in the Yiddish Summer Weimar workshops. Housing scholarships are given exclusively for the time period of the Yiddish Summer workshops. Participation in more than one workshop does not guarantee a housing scholarship for the complete period of all attended workshops.

Interested participants can apply for a scholarship with this form. As the scholarship is indented for participants with financial need, the other music e.V. requires documentary evidence of the financial situation of the applicant. In addition, please attach a short description of why you wish to attend Yiddish Summer and how a housing scholarship will help you.

Scholarships are awarded according to the budget of the other music e.V., the financial situation of the applicant, and the order the application is received. The application must be received and in the other music e.V. office by the **June 15th, 2010**. A submitted scholarship application entails no legal claim to a scholarship award. The board of the other music e.V. will decide on the award of all scholarship monies, with notification to all recipients by June 20th, 2010.

By accepting a scholarship, the participant agrees to assist with certain logistical and organisational tasks during Yiddish Summer which will be determined by the organisational team. All questions concerning scholarship awards can be sent to registration@othermusic.eu.
